

Crooks in the Pulpit

Reuben Armstrong, National Talk Show Host, Set to Release Controversial Book

HOLLYWOOD, Calif., March 26, 2009 /PRNewswire via COMTEX/ ----National talk show host and Essence Magazine's # 1 best selling author, Reuben Armstrong, is about to release his next best seller and most controversial book to date entitled Crooks and Homos in the Pulpit. It can be pre-ordered now at (www.crooksandhomosinthepulpit.com) and will be available in bookstores nation-wide May 15th 2009.

Crooks and Homos in the Pulpit focuses on Megapastors such as Bishop T.D. Jakes, Eddie Long, Joel Osteen and Bishop Eddie Long, reported homosexual pastor, Ted Haggard, as well as their Megachurches. Critics are calling Armstrong's book an eye opener and a wake up call for the Body of Christ. Armstrong held a private news conference in his studio to discuss the book and his concerns about the rampant spread of homosexuality and thievery that has taken over the lives of many pastors and ministers. According to Armstrong, crooks and homosexuals are spreading their lies and deception throughout the church world like peanut butter on bread.

"Too many churches have forgotten about saving souls. That's because the pastors and ministers are only thinking about how many women and men they can sleep with inside and outside of the church, and how much money they can steal from God's people," said Armstrong. He also pointed out that pastors and ministers are misleading their congregations by teaching more about prosperity (material things) than about having a personal relationship with God.

Synopsis of the book

Do church leaders such as Bishop T.D. Jakes, Bishop Eddie Long, Dr. Creflo Dollar, Joel Osteen, or reported homosexual Pastor Ted Haggard truly understand God's Word? If so, why have they become corporate CEOs, allowing money, greed, and materialism to take over their souls? These leaders are whoring God's people from the pulpit, while teaching legions of pimps, crooks, liars, and homosexuals, who pose as pastors, to follow in their footsteps.

In Crooks and Homos in the Pulpit, author Reuben Armstrong exposes the false doctrine of prosperity and "feel good" message that Megapastors and Megachurches are using. You will discover what the Bible says about false leaders such as these men and the judgment they face. Armstrong points out that too many churches have become corporate meet and meat markets. Through extensive research, he outlines what really goes on inside the "house of worship." He exposes the shocking lifestyles of prosperity preachers, the sexual favors given in pastoral studies and Sunday School rooms, and the church "hoochie mommas" and "puff daddies" these leaders attract as their groupies.
