

Exposing "Prosperity Gospel" preachers who take advantage of Christians

July 26, 8:04 PM

Many names may come to mind when thinking of those who preach that God wants to make all believers filthy rich. It's a heresy that has been around for a long time, sadly. These men, claiming to be sent by God to send a message of hope, present a false gospel of materialism and false hope. Many Christians, believing these false teachers, become disappointed when they hear these preachers and then go on to lose their jobs, their homes, etc.. These Christians may even carry a great deal of guilt because they are not sure why God is not "blessings them with riches" as they were promised.

Yet, we clearly see that suffering is not only part of the Christian life, it is something in which we are to rejoice! 1 Pet. 4:12-13 says, "Beloved, do not think it strange concerning the fiery trial which is to try you, as though some strange thing happened to you; but rejoice to the extent that you partake of Christ's sufferings, that when His glory is revealed, you may also be glad with exceeding joy."

Scripture also says: 1Tim. 6:10 "For the love of money is a root of all kinds of evil, for which some have strayed from the faith in their greediness, and pierced themselves through with many sorrows." Watch the following video, which highlights some of these false teachers, and ask yourself: do these men teach God's truth, or have they "strayed from the faith in their greediness?"

The following link is from kytেকutter's YouTube channel. What you will see is absolutely shameful on the part of these men who claim to be men of God. It is time we speak out against this false teaching.
